WEEK OF PRAYER

January 3-9, 2021
 More details to follow

As we move into December, we will strive to honor the Governor's directed health measures, and meet as often and safely as possible. We have made our plans, but will continue to be flexible as the guidelines change. If we alter services or schedules, we will communicate with you by phone, on our Church's website, as well as Facebook. We will continue to air the morning services on Facebook live at 10:25AM and in the parking lot on FM 98.3.

Masks: As mandated by our City Council, all attenders over the age of 5 are asked to wear a mask during church attendance. If you don't have a mask, we will have extras available at as you enter. Please wear your mask and sit with your family. We encourage reasonable distance between families. We will continue to pray for wisdom for our city leaders as they are also trying to keep us as healthy as possible.
