The Bible challenges us to help each other grow in ways and to apply its truth to daily living. We want to equip men to make good decisions and assist others to do the same. There will be plenty of food, so bring a friend and join us.

A wise man is full of strength, and a man of knowledge enhances his might, for by wise guidance you can wage your war, and in abundance of counselors there is victory. Proverbs 24:5-6

Ministry to Women

Tuesday, August 13 at 6:30PM

Ladies, join us as we introduce our new study by John Bevere called "The Awe of God." It will show us the astounding way a healthy fear of God will transform our lives. The Bible tells us to "fear not." This leads many of us to conclude that God does not want us to ever fear; that is destructive fear. There are over 200 verses that encourage us to "fear God." In eliminating our destructive fears, we have also thrown out a healthy fear of God. Learning how to apply directed fear will open the path to a life that is greater than anything you have ever imagined.
